CGCSA CONFERENCE

Unfortunately the early bird rates for the conference has ended, please continue to register. This event is one not to be missed, for further information please mail ecr@precisions.co.za or visit the website www.ecr-sa.co.za

SMS AMAVOUZO!

We are still having great success with our SMS Instant Alert System (Amavouzo). Please send us your details if you would like to receive the latest criminal activity, within the retail industry. This information alerts our members of a gang that may be moving around in your area. If you receive the information on them, then you can react and protect your store, taking preventative measures. Prevention is better than cure!

ID CARDS

The ID Cards initiative with the Logistics' and promotional companies is under way with just a few more companies applying for the cards through our offices; we have a dedicated team here! Please call us for an application on (011) 789 1160 / idcards@cgcsa.co.za.

Please don't forget - All the cards expire on the 28 February 2006. Even if you have already made the cards with the old expiry date of 31 October 2005, the cards will still be accepted by the stores until the 28 February 2006.

IMS

TIP & TACTIC FOR THE MONTH

In the news over the past few weeks there has been much concern over a new crime syndicate that follow people home from shopping centres and hi-jack them. Precaution and preventative measures can be taken.

- Try remembering where you parked, as to survey the area to make sure it is safe to continue your approach.
- Pay careful attention as you leave to whether you are being followed

- If you are being followed it is best advised to not make it obvious and to not go to the police station as they may push you off the road and hi-jack you then & there. Rather pull into a well-lit petrol station, most of the attackers will drive past. Otherwise if they follow you, drive right up to the shop, jump out your car, leave it running, and go into the shop. If they want to take your car then they can without any harm being done to you and/or your family.

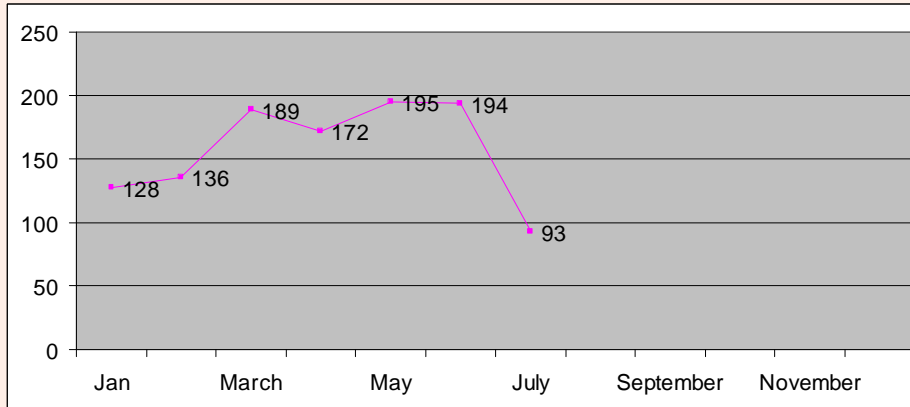

- Stay alert and safe!
